## 11 SERIES SPLIT PROFILE

11' DRW ALUMINUM CRANE BODY (84" CA)

LENGTH	HEIGHT	BODY WIDTH	COMPT. DEPTH	FLOOR WIDTH	WEIGHT (LBS)	STORAGE CAPACITY	CARGO AREA (SQ. FT)
160.68"	52/60"	96"	22"	50"	3650 NC	180	45.6

The Milron 11 Series Split Profile is constructed of 100% 5052 high-strength aluminum, reduce your fuel consumption, and increase your payload with our lightweight powder-coated corrosion-resistant crane body. Durable as steel but not light duty, Milron makes sure its bodies are reliable and dependable in any situation you put it through.

Our 11 Series aluminum crane body is designed to deliver big-time capability in the workforce and turn heads everywhere. It can tackle any weather or vocation while looking great doing it. We make those challenging tasks on the job site look easy.

Start exploring today and see how a Milron aluminum truck body lasts up to 3X longer and is up to 50% lighter than a competitors steel body.
